

How The "WINNERS GROUP" Makes Us Money

There are NO SHORT-CUTS to making a lot of money in MLM, but the "WINNERS GROUP" PAY PLAN is about as close as it gets to one!!

Your Road to UNLIMITED WEALTH starts when 2 members are Forced into Your downline by the "FORCED-SPILLOVER" feature of the "WINNERS GROUP" Pay Plan!! When this happens, your \$10 a month membership dues are paid for you by the "WINNERS GROUP" from here on!!

When 4 members are Forced into your Downline, you are entered into our 1st monthly pay program called ADVERTISING PLUS. Your \$10 a month dues are also paid for you by the "WINNERS GROUP" which is building a 2X8 Forced-Spillover-Matrix in this that generates a very substantial monthly income for us in four ways:

- 1> A full 2X8 FORCED-SPILLOVER MATRIX pays \$256 a month.
- 2> 50% Matching Bonus from 16 members on Level 4 = over \$2000 a month.
- 3> 50% Matching Bonus on everybody Personally Sponsored = unlimited income.
- 4> \$256 for every six Personally Sponsored up to 6 times (36 total): 6 X \$256 = \$1500 a Month.

When you have 2 members on your First Level in ADVERTISING PLUS you are entered into COOKIN-FUN, our 2nd monthly Pay program. Your \$10 a month dues are also paid for you by the "WINNERS GROUP" which is building a 3X7 FORCED-SPILLOVER MATRIX in this that generates a potential \$3,299.40 Monthly Income for us.
