# Proven Techniques And Modern Technology Help You Solve A Major Advertising Problem... Protect Your Advertising Budget And Save Big Time Money — Guaranteed!

Traditional methods of Printing and Mailing involve major problems.

The cost of paper, duplicating equipment and materials plus the HIGH COST OF POSTAGE make it impossible for P&M dealers to do a good job for the low fees they charge you.

You know that, we know that... yet we all use that service, eh!

To do the job even close to right-by traditional methods would cost you between \$80.00 and \$110.00 per thousand 8½x11 circulars.

Even then, you'd have little or no control and no way to really verify anything.

Choosing the right Print & Mail Service has always been a balancing act. You Vs Them! THEY WIN!

*Modern Technology makes unpredictable, traditional Print & Mail services obsolete.*

Now you can BEAT THE ODDS — Play it safe with your Print & Mail needs.

Special Five-Star Technology now available to **GUARANTEE YOU FASTER CIRCULATION YOU Can Easily and Quickly Verify!**

- Less Costly
- Documented Targeted Traffic

## Our Superior methods beat the odds!

It works like this... your circular is scanned and displayed within a unique, professional web page we make for you. **A POWERFUL START!** We then send 5,000, 10,000, 25,000, 50,000 targeted prospects directly TO YOUR Page.

**NO EMAIL IS USED FOR THIS!** The number of prospects you choose is the number that will open & view your full page with circular — **GUARANTEED!** They can order right away.

You can check your stats any time, day or night. We highly encourage you to do so.

Our "Super Internet Print & Mail System" can be offered at a very low fee — especially when you consider our verifiable, **GUARANTEED**, no way to fool you; check status anytime... top line professional service. **Exactly What You Need.**

Since we have no expenses for paper, supplies or postage and about 1/5 the overhead of a true printer...**YOU** benefit even more by actually having (for a change) the **REAL** quantity of prospects you pay for and expect. ▶ Do not confuse our Internet Print & Mail with email advertising or standard "your circular online" ads.
