Proven Techniques And Modern Technology Help You Solve A Major Advertising Problem... Protect Your Advertising Budget And Save Big Time Money — Guaranteed!

Traditional methods of Printing and Mailing involve major problems.

The cost of paper, duplicating equipment and materials plus the HIGH COST OF POSTAGE make it impossible for P&M dealers to do a good job for the low fees they charge you.

You know that, we know that... yet we all use that service, eh!

To do the job even close to right by traditional methods would cost you between \$80.00 and \$110.00 per thousand 8½x11 circulars.

Even then, you'd have little or no control and no way to really verify anything.

Choosing the right Print & Mail Service has always been a balancing act. You Vs Them! **THEY WIN!**

Modern Technology makes unpredictable, traditional Print & Mail services obsolete.

Now you can **BEAT THE ODDS** — Play it safe with your Print & Mail needs.

★ ★ ★ ★ ★

You can check your stats any time, day or night. We highly encourage you to do so.

Our "Super Internet Print & Mail System" can be offered at a very low fee — especially when you consider our verifiable, **GUARANTEED**, no way to fool you, check status anytime... top line professional service. Exactly What You Need. Since we have no expenses for paper, supplies or postage and about 1/5 the overhead of a true printer...**YOU** benefit even more by actually having (for a change) the **REAL** quantity of prospects you pay for and expect. ▶ Do not confuse our Internet Print & Mail with email advertising or standard "your circular online" ads. This is a **POWERFUL, GUARANTEED** service.
