

# PRESIDENTIAL COLLECTION

Start collecting yours TODAY!

Choose what denomination(s) you want to receive in your mailbox every day.

We just finished our beta test of 1,500 mailings and the results were very good. Of the responses, the \$100 bill got 20% of the responses, the \$50 bill came in with 30% and the \$20 bill came in with 50%. We thought the \$20 bill would be higher and the \$50 somewhat lower. We do not make any claims as to your results...results depend on your consistency of the number of mailings you do and the quality of your mailing lists (and the mailings of those you sponsor).

We are talking about making CASH and Lots of It. How do you do that? This is very simple and as Monitor, I handle everything for you...all you do is make copies of your Master and mail them out.

To participate just choose which bill you want flooding your mailbox. (You must choose one and no more than two). As always with THG Funding we deal Only in CASH! (This is to protect everyone's privacy) Send your Monitor Fee and your Selection(s) in CASH to THG Funding.

The Monitor will forward your CASH to the person(s) you selected. When the Monitor sends your Master to you, your name will be under the denomination(s) you selected. At that time also, the Monitor will send you the name and address where you can contact the person that received the money you sent...this is to verify that we sent them their money (if you don't trust us...it's called trust but verify). No way we can cheat...we never would! We have a solid reputation.

With each flyer you mail there is one out of three chance your name will be selected. If not, that could even be better, because that new person will be mailing flyers with your name on them. Wouldn't it be great having 10-20 people, each mailing 300 flyers every month with your name on their flyers? The only way you lose is if you don't participate.

# Proven Techniques And Modern Technology Help You Solve A Major Advertising Problem... Protect Your Advertising Budget And Save Big Time Money — Guaranteed!

Traditional methods of Printing and Mailing involve major problems.

The cost of paper, duplicating equipment and materials plus the HIGH COST OF POSTAGE make it impossible for P&M dealers to do a good job for the low fees they charge you.

You know that, we know that... yet we all use that service, eh!

To do the job even close to right by traditional methods would cost you between \$80.00 and \$110.00 per thousand 8½x11 circulars.

Even then, you'd have little or no control and no way to really verify anything.

Choosing the right Print & Mail Service has always been a balancing act. You Vs Them! **THEY WIN!**

*Modern Technology makes unpredictable, traditional Print & Mail services obsolete.*

Now you can **BEAT THE ODDS** — Play it safe with your Print & Mail needs.
