

Dear Fellow American: While the greatest income from the 20 Survivor Secrets initially is massive savings on health care, additional income can be realized also. And more importantly, improved health can be achieved! When the permanent \$80 allergy treatment is used, allergies are relieved permanently which results in improved health. As arthritis is corrected naturally, the pain dissipates. One of the century-old arthritis remedies can heal joint tissue very quickly, and prevents your immune system from attacking joints any further!

Statin drugs cannot improve your good HDL cholesterol, plus they have bad side effects, including liver damage. Studies now show that raising good HDL cholesterol is equally important with lowering bad LDL cholesterol. There is no drug available to raise good HDL cholesterol to clean out the mess you already have. But God has a natural cleansing element which can lower bad LDL cholesterol quickly while simultaneously raising good HDL cholesterol, plus this element has many other great benefits, and it is only about \$10 for a 3-month supply!

Twenty years ago the medical profession used ultrasound to safely remove gall stones in an economical, non-invasive treatment which left the patient in best shape with a perfectly healthy gall bladder. But patients in perfect health will not be returning to medical doctors for anything, so doctors went back to surgical removal of gall bladders at the first sign of stones. When gall bladders are removed by surgery, most patients only recover to about 95% of their previous good health, but many people have lots of problems for a long time after surgeries. Survivor Secret #11 information can safely dissolve gall stones without any pain. The \$10 investment for the 20 Survivor Secrets information may be one of the best investments you ever make to prevent lots of problems!

Some young people in perfect health are developing kidney stones. Medical doctors can medicate the pain until stones pass or use Extra-Corporeal Shock Wave Lithrotrisy (ESWL) which costs about \$1500, but in these methods the kidney stones can reform. By using the Survivor Secret information to safely dissolve kidney stones, you can avoid ESWL pain, and the stones do not quickly reform, plus you can save about \$1460!

We could continue on with much more about how the 20 Survivor Secret information can save people several thousands of dollars, but we need to quickly summarize this. If you hesitate about owning these answers because you think you have some books and knowledge of natural healing, I can assure you that everyone has just started to learn a little of the vast information which is in this report. From 1365 through 1369 millions of people died from Bubonic Plague, which was highly contagious. Nothing could be found to stop or prevent "Black Death," as it was commonly called. But there was a city which observed that one family never got sick from anything. That family was arrested and charged with removing valuables off people who had died from Bubonic Plague. At their trial they were all sentenced to be hung unless they revealed their secrets on how to prevent sickness. As soon as those secrets were revealed, the Bubonic Plague was promptly stopped! Those secrets still work in our modern world. Unfortunately, some people will not pursue God's healing unless millions are dying or until their family is spending everything they have on heart surgeries or cancer treatments, etc.

Many Americans go to work early in the morning while it's still dark and do not get back home until after dark, which leaves them very little time with family and friends. You might be amazed to learn how many people are struggling to make it through each month. A recent study indicated that \$300 more income per month could prevent most of the 2,690,000 annual individual bankruptcies and some other problems!

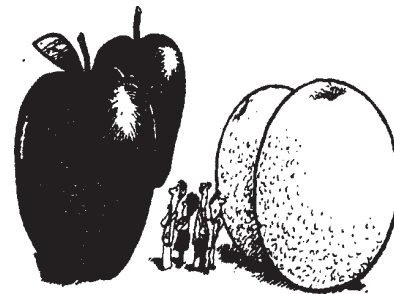

You would be shocked if you knew how broke some small businesses are. In many cases these hard-working people are barely able to pay their bills and keep their doors open. 615 businesses in the U.S. have been filing bankruptcy daily. In recent years the percentage of Americans' income which is spent on health care has been rapidly increasing to an alarmingly high level. Acquiring and circulating these 20 Survivor Secrets is an excellent example of people helping people. While the person mailing this receives some income, the parties that own and use this prevention information are saving lots of funds and avoiding pain! \$10,000 saved is equal to \$10,000 earned! Individuals' problems and business failures set back and hurt all of us eventually in a domino effect. Most individuals need every extra dollar they can earn or save. Likewise, American businesses can use all the increased business they can get. If you use this information to save money or if you circulate it, you are a winner either way. How soon can you make the wise decision to own and consider circulating this information?
