*Announces Healthy Energy Drink is Coming In Cans!*

It has just been about 24 hours since we discovered A.C. T. Energy Drink. This is the only drink that has NO SUGAR and all for 22 calories per drink, and gives you a high level of energy! The results sell the product! Day 1, you will feel better, day 2, you'll love it, and day 3, you'll be telling your friends!

They have sold 14 MILLION drinks in just 22 short months. This company is one of the largest top manufacturing facilities in our country and was started by Mark McKnight's father. It has been in business over 14 years. They do millions of dollars of manufacturing nutritional products for major stores and network marketing companies. They make over 4000 products in their facility including Noni Juice, ASAI, many other nutritional companies and supply Walmart, Kmart, Cosco and Sam's Club and all major mall stores with nutritional products. This is just a new division of the same company that is now marketing their High Energy and Healthy Energy Drink! We sell manufacturer to consumer direct.

This company is capable of shipping 10 million dollars worth of product a day! Free samples are what drive your business! There are NO FEES to participate, and NO forced Monthly Purchases.

This is packed with B vitamins, Green Tea, Ginseng, Amino Acids and much more! Talk about GOOD FOR YOU!! It's loaded with wonderful herbs and natural extracts that support healthy energy and vitality! A.C.T. has less than 5 grams sugar and less than 5 grams of carbohydrate.

Just mix a full packet with 10 to 16 oz. of water. Put ice in after you mix it with water. Drink it all at once for best results. You will adjust to the taste and you will enjoy the Energy that lasts 3 times longer than any other drink, PLUS it COSTS LESS and is Healthy! ONLY 22 CALORIES! COMING SOON IN CANS!
